Auditor notes

If using a voice to text app, please review your work before submitting the report. Proofreading your audit submission will also ensure you are providing a professional report for your clients or employer.

Strengths – Minimum 1 Strength should be provided for each element where at least one question has scored 100%. Strengths must:

- Be meaningful
- Contain company specific information/detail
- Include detail as to how and/or why the statement is considered a strength to the organization and/or their OHSMS

***** QA review points will be deducted from each element if a strength has not been provided (where applicable) *****

Contractor vs Contract worker

Contractor- An individual or employer that is not covered under the hiring employer's WCB account number, contracted to provide materials or services for different companies.

Contract worker- An individual or employer that may be covered or not under the hiring employer's WCB account number, contracted to provide materials or services for the same company.
